Wow
leaderboard!

(Space Jump implemented this)

- Advanced contracts
- more complicated.
- JS Display

Multi - player

Buy snowballs

- micro transactions
- NEAR Wallet integration

snowballs 6 cost ?

BUY!

Do you want
to join
the snowball
fight?

snowball fight

- store all player's
location / throws
- calculate end result
- winners (least hits)

choose your location
+ aim your snowballs
when all players are
ready watch the
action

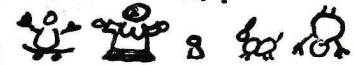

NFT Prize

you collected
a snowman!

play again collect
them all!

That's
all for now
folks!
